Aston Villa Trip

Credition Youth FC ran their annual premiership matchday trip on Saturday 17th January to Aston Villa for the game of Aston Villa verses Liverpool FC.

The trip was fully subscribed with a full coach leaving Credition early on Saturday morning with 40 boys mainly from the age groups of Under 12s to under 16s with 13 accompanying Managers and Assistants. The party arrived in plenty of time which allowed some of the younger players to take part in some fun games at the Villa indoor centre whilst others queued to catch a glimpse of the Liverpool players as they disembarked from their team coach.

Everyone then settled into their seats to enjoy the game in the packed Villa stadium which was at near capacity of 40,000. For many of the boys, it was their first ever visit to a live premiership game and a great chance to see some of the household names performing in front of them. Many were excited to see Liverpool and England legend, Steven Gerrard, playing in his last season but, unfortunately, injury kept him off the pitch. However, there were plenty of 'big names' to keep them entertained.

Liverpool were to run out 2-0 winners with a goal in each half despite the home side having several chances. Both sets of fans were in good voice which added to the atmosphere, especially the visitors, when Riki Lambert scored their second goal and lifted the volume right up. With the game over, the Credition lads headed back to their coach for the journey home, having all enjoyed a great day out especially the Liverpool fans!

Credition Youth FC Chairman, Martin Daniel, expressed his thanks to all the lads for being good ambassadors for the Club throughout what was quite a long day and to the Committee, especially Mike Edworthy, for organising the trip.

Weekend Match Report

All scheduled games on Saturday were postponed due to the Villa trip, this left only one fixture for the under 9's on Sunday. After a bitterly cold training session on Thursday we were all treated to bright sunshine and temperatures reaching the dizzy heights of 5°C for the visit of Moors and Twyford to our home fixture at Lords Meadows. After the heavy rain in the last few days the decision was taken to play the game on the Astro Turf pitches, a move that I am sure will be popular with any parent that have to wash post match kit!

The results were as follows:
 Credition Youth Under 9s Team 1 W2 D0 L2 ([match report](#))
 Credition Youth Under 9s Team 2 W0 D0 L4 ([match report](#))
 Many thanks to all involved, especially Martin and Sally Anne for arranging the tea coffee and sweet stall.

Defibrillator

Credition United FC, have taken up the offer of purchasing a heart defibrillator at a discounted price, through a FA and British Heart Foundation scheme being offered to Step 7 clubs.

We are delighted to announce, they have kindly allowed us access and use of this vital life saving piece of equipment, on match days and on training evenings. We obviously, hope we never have to use this amazing machine, but it is reassuring to us as a club, to know we access to it.

A big thank you to Credition United for such a kind offer.

Tesco Bucket Collection

Well done, and thanks, to all who helped out at the Club Promotion & Bucket Collection at Tesco's. We raised a sum of £190.40, which will help towards the cost of the new kits. Special thanks must go to the customers of Tesco's for their kind generosity.

We also once again used this as a great chance to promote the club, and we very much thank Tesco for that opportunity. In the evening, a group of the committee, managers and parents had a well earned break and enjoyed a nice evening around Credition.

Congratulations to:
