weekend of 23rd and 24th January 2016

Two great results this weekend.

Firstly the U12 Sunday side picked up their first away win of the season with a 2-1 victory at Bude. Next up the U11's who had an impressive 6-4 victory after extra time in the cup against Central United, who play one league above them.

Also the U13's managed to play their first game for over two months. With their cup match against Division One side Twyford Spartans being switched to the astro at Tiverton. The U13's put in a tremendous performance, and can be proud of the superb football they played. Hemyock 5 Crediton Youth U16 1

Chairman's Christmas Message

Chairman's Christmas Message

Well with the Christmas party behind us and the last game of 2015 played, an impressive 8-1 win for the Under 11's. It should be the time for a well earned rest. Unfortunately the consistent heavy rain over the last few weeks has seen many of our teams have an unwanted break from football. Let's hope for better weather in 2016.

2015 was a great year for the club. Membership levels at an all time high and we also saw record entries at our own annual six a-side tournament down at Lords Meadow back in June. It is also great to again see girls football back at the club, after a break of a few seasons. It is encouraging as well to see so many of our teams doing so well in their respective leagues. But more importantly to see so many youngsters enjoying their football.

Behind the scenes it has been challenging for the committee to meet the demands of the growth of the club. So special thanks must go to all the committee members, managers and helpers that have worked so hard to make the club run so smoothly over the past year. Going into a new year we really do need to get more people on board. Why not make it your New Years resolution to get more involved.

Very best wishes for Christmas & the New Year.

Weekend of 19th and 20th December

The weather again wrecked the weekend fixtures with only one age group getting a game.

Villa -trip 2015

Villa Trip 2015

Once again Crediton Youth FC organised their ever popular annual trip to watch a Premier league game. This years chosen match was the Aston Villa versus Arsenal game.

Thirty seven players accompanied by fifteen managers and adult helpers left Crediton early on Sunday mornings for the lunch time fixture at Villa Park. Arriving in time to see the Arsenal team coach arrive the party then made their way to the Villa kids zone, where various activities such as gladiator challenge and bucking bronco where being put on prior to kick off.

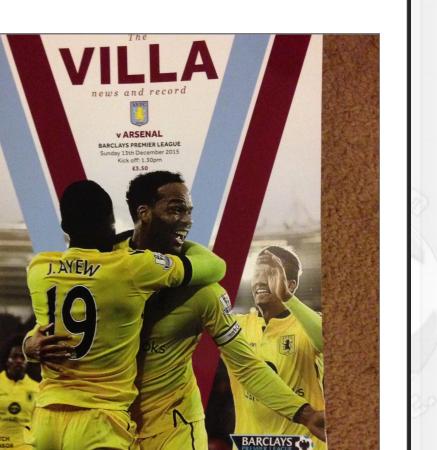

The group then made their way to the North Stand , to watch the players warm up and take in the atmosphere before kick off. The game saw Arsenal run out two nil winners. The match gave the Crediton Youth players a great chance to see many top international players in action.

Thanks must once again go to Mike Edworthy for organising such a well run trip. Club Chairman Martin Daniel said, it was great to once again give a lot of our players the opportunity to see a Premier league game for the first time. For some of our older players, they have in the last three years been lucky enough to see Arsenal, Chelsea and Liverpool since the trip has been resurrected.

Weekend Round up

Weekend of 12th and 13th December and Villa trip

On Sunday 37 players and 15 Managers/Coaches went up to Villa Park to watch the Aston Villa v Arsenal game.

Again the weather took it's toll on weekend fixtures. Crediton Youth U11 2 West Hill Wasps 2

Christmas break and Exeter FITC

Please note that all training will cease on Friday 18th December & re-commence on Monday 4th January. Exeter City are running their usual festive programme this Christmas, get your trainers on and stay sharp during our winter break.

Goal Keeper Training with Kye Fowler

Goal Keeper Training with Kye Fowler

Early in the season and up until the clocks changed, Kye Fowler our Under 18's keeper kindly put on weekly goal keeping sessions for many of our budding keepers. The sessions were designed for the keepers in the Under 11-15 age groups and were well attended and enjoyed by those who regularly game along.

Many thanks to Kye for giving up his time to take these sessions.
