Easter Update

Well it has been a busy last few months. It has been so great to be able run the Aston Villa trip again and what a great trip we had up to Wembley for the England v Lithuania game and the stadium tour at the Emirates.

Many thanks, to everyone, who supported the Easter Egg Bingo, which made a profit of £196.

We have the Ian Kenna – South West Entertainer of the Year - event in the club house on Saturday 22nd April 8-12. Tickets are only £5.

It is really great to see two parents keen to organise an event. Let's all get behind it and support it, and make it a huge success! It has been a long hard season, for a lot of people, behind the scenes, the perfect opportunity to have some fun away from pitch side, as the season draws to an end. It is events like this that generate additional income that allow us to subsidise the cost of many of our club trips.

On April 29th we will also have the U10's & 11's going down to the Match Day Magic at Plymouth Argyle.

March has seen us put another 13 coaches and helpers through their Child Safe Guarding course.

In the not too distant future we will be looking for volunteers for the Devon County Show banners project. Please let your team manager, know if you are interested in getting involved, in helping to put up, or take down advertising banners around the show ground. Again, this generates a much needed income for the club.

June 10th & 11th will see our Annual Six a Side tournament. As the tournament grows it is vital we get all parents involved in this weekend. There are so many roles to suit every volunteer. Scott Brimicombe our Programme Advert Co-ordinator will be again looking for advertisers & sponsors, why not get hold of Scott if you are keen to place an advert or sponsor an age group on 07974 104267.

Many thanks must go to Simon Watts for all his hard work on the website. We are constantly amazed by the amount of hits our website gets, for those who are not regular visitors why not check it out www.crediftonyouthfc.co.uk

England v Lithuania Trip

CYFC Under 14-16s Trip to watch England v Lithuania

On Sunday March 26th a party of forty one players supported by twelve coaches and parents set off from Lords Meadow to make their way to London to tour the Emirates stadium and to watch the England v Lithuania 2018 World Cup qualifier at Wembley Stadium The group was made up of players from the Under 14-16 sides.

First port of call was the Emirates Stadium home of Arsenal FC. The Credifton lads had the chance to see first hand behind the scene areas of the stadium from pitch side to the state of the art home changing room to the luxury of the director's lounges and media suites. Then after group photo's the party had the chance to visit the Arsenal museum.

Next stop was Wembley, and arriving in plenty of time the players had the chance to visit the Fans Zone, where many had their faces painted. Before entering the stadium for the game, the group had the obligatory photo taken next to the Bobby Moore statue.

The match itself was not a classic, but the crowd of 77000, saw Jermain Defoe and Jamie Vardy score the goals which gave England a 2-0 victory. England manager Gareth Southgate had put out a strong side which gave the lads the opportunity to see many top England stars.

It was an extra special day, for one of the Under 16 players Connor Rodd, who was celebrating his birthday. Connor was surprised to see a photo and a mention in the match day programme to recognise this.

Mike Edworthy, one of the trip organisers said it was again really great to be able to put on a visit like this for so many of our players. We had a great day and the boys were a brilliant group to take. Special thanks must go to Paul Morrison at Devon FA, for arranging the tickets and everyone else who made the day run so smoothly.

Week Ending 9th April

U13s March 26th

Well done to Credifton Youth U13's for all the effort, attitude and determination shown when up against it this morning.

The result wasn't a surprise but it wasn't about that today. The parents should be really proud of how the players battled on this morning against the odds. Even a parent from Sidmouth came across to praise the teams attitude.

Thankyou to all who have supported and enabled this to happen this week.

Cheers,
Age
